All Lodge guests must sign a liability waiver. Adults sign their own and for their own children. An unaccompanied child can get a waiver from the clubhouse in advance, have it signed by a parent or legal guardian, and bring it up. An unaccompanied child must also bring a medical waiver so we may provide treatment in case of an injury. Permission of the lodge chairperson is required prior to the arrival of an unaccompanied child.

If you are planning to bring a child under 5 years old, please contact the chairperson in advance.
